Yes

Fantastic!

From now on, I recommend you measure your weight only once per week. Every Sunday morning, before breakfast. I'll send you the pertinent Reminder. Can I count on you on this?

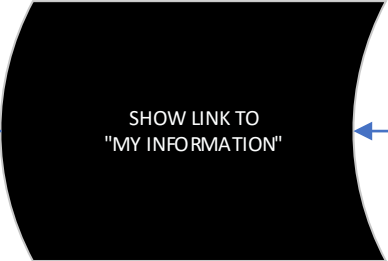

Not sure yet

I love it! I like you already. I'm positive we're going to become best friends. :-)

We need to schedule a daily conversation, for you to learn all the basics. It should take 12 minutes per day. During the next 3 weeks I guarantee you'll lose a minimum of 7 pounds. Or your money back. I have customers who have lost up to 13 pounds in their first 3 weeks!

In the next screen you'll enter your preferred time for our daily call (between 6am and 9pm), along with other information I need to customize your program. Please click on the link below. See you later!
